Posted on July 23, 2025

Job Description

Responsibilities:

- Plan and execute engaging, age-appropriate curriculum and activities that promote cognitive, social, emotional, and physical development for children ages 6 weeks to 3 years old.
- Complete child education plans, assessments, progress notes, and other required documentation.
- Create and maintain a safe, healthy environment, ensuring adequate supervision in all activities and compliance with all safety and licensing standards.
- Build strong parent/guardian-teacher relationships with regular communication and collaboration to ensure every child's growth, development, and well-being are supported both in and out of the classroom.

Responsibilities

See Above

Qualifications

Qualifications: Associate's degree in early childhood education or related field with at least 15 hours of ECE coursework required. A minimum of 1 year of experience with infant/toddler care in child care, daycare, or other early childhood education setting is required. A Child Development Associate (CDA) Credential with an Infant/Toddler designation and 2 years of experience in infant/toddler care will also be accepted. Valid driver's license is a plus. Bi- or Multi-lingual skills are a plus.

- **Minimum Education Level:** Associate's Degree
- **Preferred Education Level:** Associate's Degree
