Job Opportunity for the Graduating Class – Join Rizing Kidz!

Early Intervention Agency – Empowering the Future, One Child at a Time

Job Description

We are seeking dedicated and compassionate professionals to join our multidisciplinary team. As an Early Intervention Provider, you will deliver home- and community - based services to infants and toddlers under the New York State Early Intervention Program (EIP).

You will work closely with families, service coordinators, and other therapists to develop and implement individualized service plans (IFSP's) that promote each child's optimal development.

Responsibilities

Provide home-, center-, or community-based early intervention services in alignment with the child's IFSP's.

Conduct developmental assessments and maintain documentation in compliance with NYSDOH and agency guidelines.

Collaborate with families and caregivers to support progress and encourage family participation in daily routines.

Develop individualized strategies and activities that enhance developmental outcomes across motor, communication, cognitive, and social domains.

Communicate regularly with service coordinators and multidisciplinary team members.

Complete all required documentation, session notes, and progress reports in a timely manner.

Qualifications

NYS Professional license or certification in your respective discipline.

Approved as an Early Intervention Provider (or eligible for approval) through the New York State Department of Health.

Experience with infants, toddlers, or children with developmental disabilities or delays (preferred).

Strong communication and interpersonal skills.

Reliable, organized, and passionate about family-centered care.

- **Minimum Education Level:** Bachelor's Degree
- **Preferred Education Level:** CDA Credential (with credit-bearing certificate)
