Organization Statement

Queen City Early Childhood Center is a high-quality childcare program serving children ages 6 weeks to 12 years in Buffalo, New York. Our mission is to help every child develop their best mind, their love of learning, their personality, and their bright future.

We are committed to providing a safe, nurturing, and engaging environment where children can grow academically, socially, and emotionally. Our team works collaboratively to create meaningful learning experiences while maintaining the highest standards of care and professionalism.

At Queen City, we value dedication, accountability, and a genuine passion for working with children. We are proud to build a team of educators who lead with patience, positivity, and purpose.

Job Description

The PM Per Diem Floater supports the daily operations of the center by providing flexible coverage across multiple classrooms during afternoon and evening shifts. This role works under the direction of the Teacher and Director to maintain a safe, structured, and engaging environment for children.

Responsibilities include assisting with classroom activities, supporting transitions, and helping manage end-of-day routines such as cleanup, organization, and departure procedures. The Floater actively engages with children, supports staff as needed, and helps ensure classrooms remain clean, organized, and well-managed.

This role requires the ability to adapt quickly to different classrooms and age groups, follow established routines, and work collaboratively with team members. All duties must be performed

in accordance with center policies and state regulations.
