Job Description

Liberty Daycare Services seeking a passionate and dedicated Group Teacher to inspire and nurture young learners in a dynamic educational environment. As a vital member of our teaching team, you will create engaging lesson plans, foster a positive classroom atmosphere, and support the holistic development of children across early childhood stages. Your role will involve working closely with students, parents, and colleagues to promote a love of learning while ensuring each child's individual needs are met. This paid position offers an exciting opportunity to make a meaningful impact on children's educational journeys.

Responsibilities

Key Responsibilities:

Curriculum Planning & Classroom Leadership:

- Design and implement daily lesson plans that meet the social, emotional, cognitive, and physical developmental milestones of young children.
- Maintain a well-structured, clean, and organized classroom environment that promotes active learning, independence, and positive peer interaction.
- Monitor and record individual child progress, maintaining accurate observational records, developmental portfolios, and screening assessments.
- Lead, guide, and supervise Assistant Teachers and classroom aides to maintain a cohesive teaching team.

Health, Safety & Compliance:

- Provide constant and competent supervision of all children at all times, ensuring required staff-to-child ratios are strictly maintained.
- Implement positive, constructive behavior management techniques in accordance with NYC Health Code regulations (strictly prohibiting corporal punishment or humiliating discipline).
- Conduct daily health checks of children upon arrival and adhere to all infection control, hygiene, sanitization, and mealtime supervision protocols.
- Ensure strict adherence to the center's written Safety Plan, emergency drills, and incident reporting procedures.

Family Engagement & Professional Development:

- Foster open communication with parents and guardians through daily logs, progress updates, and formal parent-teacher conferences.
- Maintain active membership in the NYS Aspire Registry and track professional development hours.
- Participate in staff meetings, DOHMH-mandated workshops, and continuous professional training hours as required by city and state guidelines.

Qualifications

Qualifications

- Proven experience working with children in preschool or daycare settings, with a strong understanding of childhood development principles.
- Demonstrated expertise in curriculum development, lesson planning, and classroom management techniques.
- Knowledge of special education strategies and early intervention practices to support diverse learning needs.
- Experience with literacy education, math instruction, physical education, and Montessori methodologies is highly desirable.
- Excellent communication skills to effectively interact with children, parents, and team members.
- Familiarity with standardized testing procedures and tutoring techniques for early learners.
- Prior experience in private schools or daycare environments is preferred; preschool experience is essential.
- Ability to manage classroom behavior proactively while fostering an inclusive and nurturing atmosphere. Join us as a Group Teacher and be part of an inspiring team committed to shaping confident, curious, and capable young learners!
- **Minimum Education Level:** CDA Credential
- **Preferred Education Level:** NYS Teacher Certification
