Organization Statement

Our mission is to improve the lives of our children and assist families reach their fullest potential. Through a compassionate partnership with parents, staff, and the community we offer a family focused program that includes education, health, nutrition, mental health, and services to children with disabilities.

Job Description

Essential Responsibilities

Child & Family Support

- Observe children in classroom settings and provide recommendations to support social-emotional development.
- Consult with teachers and families regarding behavioral, developmental, and emotional concerns.
- Assist with behavior support plans and referrals for additional evaluation or services.
- Participate in family conferences and multidisciplinary meetings as needed.

Staff Consultation & Training

- Coach staff on positive behavior support, classroom management, and trauma-informed practices.
- Provide professional development on early childhood mental health and social-emotional learning.
- Support crisis intervention and de-escalation strategies when appropriate.

Program Support

- Maintain required documentation of consultations, observations, referrals, and follow-up activities.
- Collaborate with education, disabilities, health, and community partners to coordinate services.
- Ensure mental health services meet Head Start Performance Standards and applicable regulations.
- Participate in program planning and continuous quality improvement initiatives.
